WELCOME

Getting married at Three Blue Ducks Melbourne is about creating a day that feels relaxed, generous and genuinely you. Long tables, exceptional food shared with the people you love most, and a celebration that unfolds naturally from twilight into evening.

Set at URBNSURF, our venue offers something entirely unexpected - a surf-inspired setting with the convenience of being close to the city. Warm, welcoming interiors, with flexible spaces overlooking the surf lagoon feel distinctly different from traditional wedding venues, creating a celebration that feels unique and incredibly memorable. Menus are designed around bold, honest flavours, produce is thoughtfully sourced, and the atmosphere is open and unpretentious. It's the kind of setting where conversations run long, laughter carries, and guests feel instantly at home.

We believe the best weddings don't feel staged or over-produced. They feel like the best gathering you've ever hosted, brought to life by great food, thoughtful hospitality and a beautiful place to celebrate the best day of your life.
